Vacation Club Update

The new Vacation Club office recently celebrated 2 years since re-opening Business
has been booming with the most successful year in a decade.
Call for information on listing your week for sale or to pick up additional vacation time.
We have a wide range of developer and resale weeks available.
If you are looking to sell your Water's Edge timeshare, give us a call;
we are actively listing and selling weeks for owners with great success!
The resort also has an aggressive Owner Rental Program. Rent your week out to cover
maintenance fees and put money in your pocket if you can't use it.
**AND call the Vacation Club Office to find out how you can possibly receive a vacation exchange
week on top of renting out your unit! Best of both worlds!**
The Club Interval Gold points program has proven to be a huge success offering
owners more flexibility and benefits! Better vacations.
The Club Interval Gold Points membership offer has been extended for our resort.
And the biggest new of all...we are now taking purchase reservations for Villas By the Sea.

Don't miss out! Call the Vacation Club Office for more information!
