

EXCHANGE COMPANY INFORMATION

Water's Edge participates with two major exchange companies for timeshare trades:

1. **Resorts Condominiums International** (R.C.I.)

- 1-800-338-7777
- www.rci.com

Once online, click on the membership benefits section and under WEEKS, click "join now" Here is some information you will need.

Resort code : 1331
Unit size : 1 bedroom
Capacity : either 4 or 6 depending on what size you own
Privacy : 4 on either size unit
intervals : how many timeshare weeks you purchased

You will then be emailed a membership number. From there you go back online and set up your online profile under WEEKS using this membership number.

2. **Interval International** (I.I.)

- 1-800-828-8200
- www.intervalworld.com

Same information as above except the Resort I.D. is: WAT

It is up to you, the member, to make your personal decision as to which company you join. Your first step will be to contact the company of choice, and open up a new membership. You will be required to pay a membership fee to the company at the time your membership is activated. The more years you purchase at once, the lower the annual fee will be. Once your membership is cleared and ready to go, you will receive membership I.D. cards with your name and account number on it. You will also receive a "partial" directory of resorts meaning that not every resort affiliated will be printed in the book. You can go online to your accounts website and click on resort directory for a more accurate listing.

Whether you are using online services or the resort directory, please review the exchange companies policies and procedures for booking, cancelling and usage thoroughly. Please remember that your R.C.I or I.I membership is a relationship between you, the member, and them. Water's Edge is not permitted to be involved in the opening of new memberships or timeshare exchanges.
